He wanted his book collection to read by many others,
And so he started this library
Although this is a private library
This place was already owned by the Founder
Hina, you're doing such a great job
Okay, sorry for the wait Yoshida-san
Last time, she placed a book in the wrong and I had to help her put it away
But Hina cant organize books,
Wow, really?
That was.....
What do you think of this one?
Are there any similar to it?
This book is really good,
Such a good book
Like this one....
Thank you Sensei!

Ok
I'll be counting on you to take care of this library.
That Sensei
Don't get too capitivated
A story he wrote in his university used to give him fame
Now he's published two novels
Even for someone like me, who doesnt like reading,
and he is indeed a writer
I think that this novel's storyline is..

very capitivating .....

This book ... Is totally different from the first one
Sensei's second novel
I just started reading
AHAHA! What are you reading this time?

This story is about a first year elementary student!

Who uses "Foul lauguage" to bully others

and spents a whole day with another character inside a library

Hmm ....
It might be very hard for you as a stude
it's so
read
ut
This book is too gloomy, so I can't continue reading it
ng!
The darkness is fairly deep and heavy in his heart
It hurts until he can't let go of his sadness. Breathing becomes painful every minute.
This "Private Fiction" Novel
I keep thinking about Sensei whenever I read it
Huh?
Really?
Of course it's impossibl
Hina's so hopeless when it comes to love
She's never into it!
I want to read it!
Actually
Sensei's novels can deeply capitivate people.
But there's no romance in it
Flip
Huh? Really?
!
Ahaha...and what are the final results?
It's because Im the walking thunder antenna!
I am not hopeless!
IMP
SFX: CRACKLING

Huh?
Thunder is amazing!
No! It must be my sixth sense!
The reason you were looking for shockingly handsome guy was ...?
Kocha!
How did you know? Your amazing!
Whoa sorry I mistook you for an idiot there
SFX: THUNDER
Is there a girl who falls in love?
TURN
TURN
Hina ?
Heh Heh
Before I went home,
I saw someone carrying heavy stuff at the annoying Granny's
So I decide to help her out,
I never thought it would be so heavy
Sigh
Where do you want this?
Granny where do you want this?
Oof!
TIRED
Huh?
You don't have to force yourself young lady!

It's Q&A time! I did say I'd make one in this chapter, so I want to talk about a few things! (Of course it's all about me.)

I suddenly thought of a poem out of a romance drama. I'll suddenly have inspiration when I shower every day. But once I step ou, I'll forget ideas. Only I would be thinking, "That idea is so awesome!" at this time. Then I'd regret it. But when I think about it calmly, I'd think that it wasn't such a big idea after all!

Characters are based off the drama, poem, and a letter I wrote myself in class A4. I probably wrote about ten of them. It's similar to the novel. I'd take it to my Editor to look at. They know my works were good, and congratulated me (cry). We'll work until my Editors says it's ok!)

When I let my imagination go wild, I'd laugh myself silly until I can't keep my eyes open!

I'm really sorry! But that thing is heavy!

Oh, I can carry stuff every day at work. So this is nothing!

Then—

When we drank tea at Granny's, We had a little chit-chatwhech is one my favorite things to do.

But after that, we only kept in touch through the mail.

And so, I'm going to give him Chocolate on Valentine's day.

Kocha is ...
You're the stupid one don't judge people by calling then stupid if you don't know them, you idiots.
You fail as human beings!
She just said "I don't know"
She's so stupid!
So funny!
I felt so ashamed and unhappy.
You're so annoying!
My first friend
I couldn't converse well when I was in Elementary School.
Even if I'm in another class, I got mocked by others.
I'm Saki Chaito
Can you tell me your name?
Um ...
It's
I'm
I'll never forget this memory,
It's okay take your time!
I'll listen very carefully

I want to read this book throughly
So that whenever she's in a pinch I can give her some advice
I just bought it when I got off school
It's got lots of info on romance
SIGH
Um... about that...
My best friend fell in love with someone
Why did you ask me this question all of a sudden
GIGGLE
Once Asahina-san falls in love, follow the book
Then you'll become much stronger

I think this part of you is very cute.
!

Very Scary.
Everyone, come look! Hina... has finally grown up!
Is it because of Valentine's day?

SLAM
SLAM
Huh ?
I wrote him some mail, but he doesn't reply to them.
I thought he's always so busy at work
And every time I send him letters, worry that it might bother him
Kocha
If he felt that it didn't mean anything to him, what should i do?
Hina,
It happened today too ...
I was going to give him chocolate,
but I thought I'd get ejected
I was so scared that i stopped sending him mail
Tell me. What should I do?
.....
.....

Obviously I wanted to help Kocha out more than anyone else!
This isn't good
I'm not good with something like this
I'm sorry Kocha ...
Sorry ...
Then ...
When I get rejected from my first confession, You'll be responisble for cheering me up!
Silly Hina
What are you apologizing to me for?
It's because I couldn't help you. Now I'm unhappy.

I know this for a fact!
You won't get rejected!
Kocha isn't the kind who'd be hated
Hina you're such a good person, I love you!
Like!
I love you the most!
Thanks Hina!
Since it's Valentine's Day,
You should use your courage and send him mail and tell him you miss him.
Good luck!
Good luck Kocha!

SFX: SEA WAVES
Because I know the power that words have is huge,
I kept thinking ...
Until It was tough for me to choose
So in the end, I chose not to talk.

Maybe it's because of this ...
That I'd be strongly opposed to communicate with words.
That right!
Oh ....!
So Sensei's words, used to be so gentle and warm ...
It's so nice!
